

Wellcat Herbs & Holidays

~ how to order ~

Our ordering method is still a work in progress. Until it is further refined, please know that **you can simply send your order requests to us via email** (don't worry about including Wellcat Codes, just please be specific about product name, size—if applicable—and quantity). Be sure to include all obvious information, particularly your zip code! Wellcat now accepts **VISA or Master Card**, as well as **personal checks or money orders**. We need to know the type of card, card number & expiration date. If you are sending your order via regular post, and including payment method, you are welcome to print out the order form below or simply write a note listing desired products. If we are out of stock on any item or have any questions, we will contact you immediately because we want to be sure you are a satisfied customer!
